

Surcharges in the working time account

Individual surcharge times according to the surcharge assigned to the selected employee can be viewed in the time recording section for that employee.

Tab	Type	Start	End	Start time	End time	Time period	Surcharge	Surcharge period	Working time surcharge	Calc. surcharge time	Surcharge account	Total account

The corresponding columns are:

- **Surcharge:** Indicates the type of surcharge
- **Surcharge period:** Indicates the period eligible for a surcharge
- **Working time surcharge:** Indicates the working time within the period eligible for a surcharge
- **surcharge time:** Calculated time of the period eligible for a surcharge
- **Surcharge account:** Indicates the sum of calculated surcharge times

Attention

The **Total accounts** value indicates the sum of the time account and the surcharge account.
